Subject: Meeting in Houston

Hi Susan,

Per our convo, Dr. McDavid with the OSC Community Partnership left me a voicemail at around 12:30 PM. She called through the PIC line and needed confirmation about EPA's attendance at a Feb 23rd meeting regarding CES. It seems like she expects us there and the meeting will be packed. She needed us to call her back. Her number is

(b) (6)

Thanks!
